Dear Sir/Madam,

We would like to inform you that our company has taken a significant step towards a future-oriented direction. As part of this initiative, we have decided to change the company name from THIELMANN UCON GmbH to

UCON Container System GmbH

This change pertains to the company name, and the business registration number remains unchanged.

The rebranding is a key element of our strategic realignment, with a heightened focus on container systems and continued specialization in IBCs. Through this measure, we aim to evolve our services and products to meet the evolving needs of our customers.

It is important to emphasize that this change will have no impact on our ongoing business relationships or contracts. All existing agreements remain valid, you can continue to rely on the same quality and reliability of our products and services.

We appreciate the strong collaboration with you and thank you sincerely for your trust. Should you require any further information or have any questions regarding this the rebranding, please don't hesitate to contact us.

Best regards,

Igor Ferlan
Managing Director

Ulrich Lauster
Managing Director
